How to Create a self-introduction Video

Application for OT03-019 - "Immersive English Experience for Study-Abroad Preparation Program"

Guidelines for the introduction video:

Make the video in a quiet location.

- You can use your smartphone.
- Remove your mask.

The video should be no longer than 2 minutes (about 1 minute is fine).

First, introduce yourself:

- Give your name and student ID at the start of the video.
- Do not read your speech. Look at the camera.
  - If using notes, only use keywords, and look at them only if needed.
- Do not have any long pauses. Speak as smoothly as possible.

Evaluation Criteria:

Next, make sure your speech answers the following questions:

- Why do you want to improve your English?
- Why do you want to experience a different culture?
- What have you done to improve your English in the past?
- You can include any other details that you think are relevant.
